- 33,050+ registered for events there.

**They want to double the number of visitors & ruin our neighborhoods!**

## What does the 2022 County Open Space Plan Recommend?

- A greenway connection through the park.
- Improving habitat quality of waterbodies.

## What can we do?

Raise our voices and make our objections heard during the public comment period.

- The **National Park Service** is requiring an **Environmental Assessment**, which will include a public comment period.
- We must let them know that *we don't want* our park destroyed and that *we don't need* a destination athletic complex.
